CANADA'S FIRST SPATIAL & SINGLE CELL BIOLOGY SUMMIT

TRUE NORTH SPATIAL 2026

General PROSPECTUS

To inspire,

To enlighten,

To challenge

CANADA'S FIRST SPATIAL & SINGLE CELL BIOLOGY SUMMIT

TRUE NORTH SPATIAL

2026

Panoramics - A Vision INC. is proud to bring you
Canada's 1st Spatial & Single Cell Summit

OPEN NOW FOR PRE-REGISTRATION

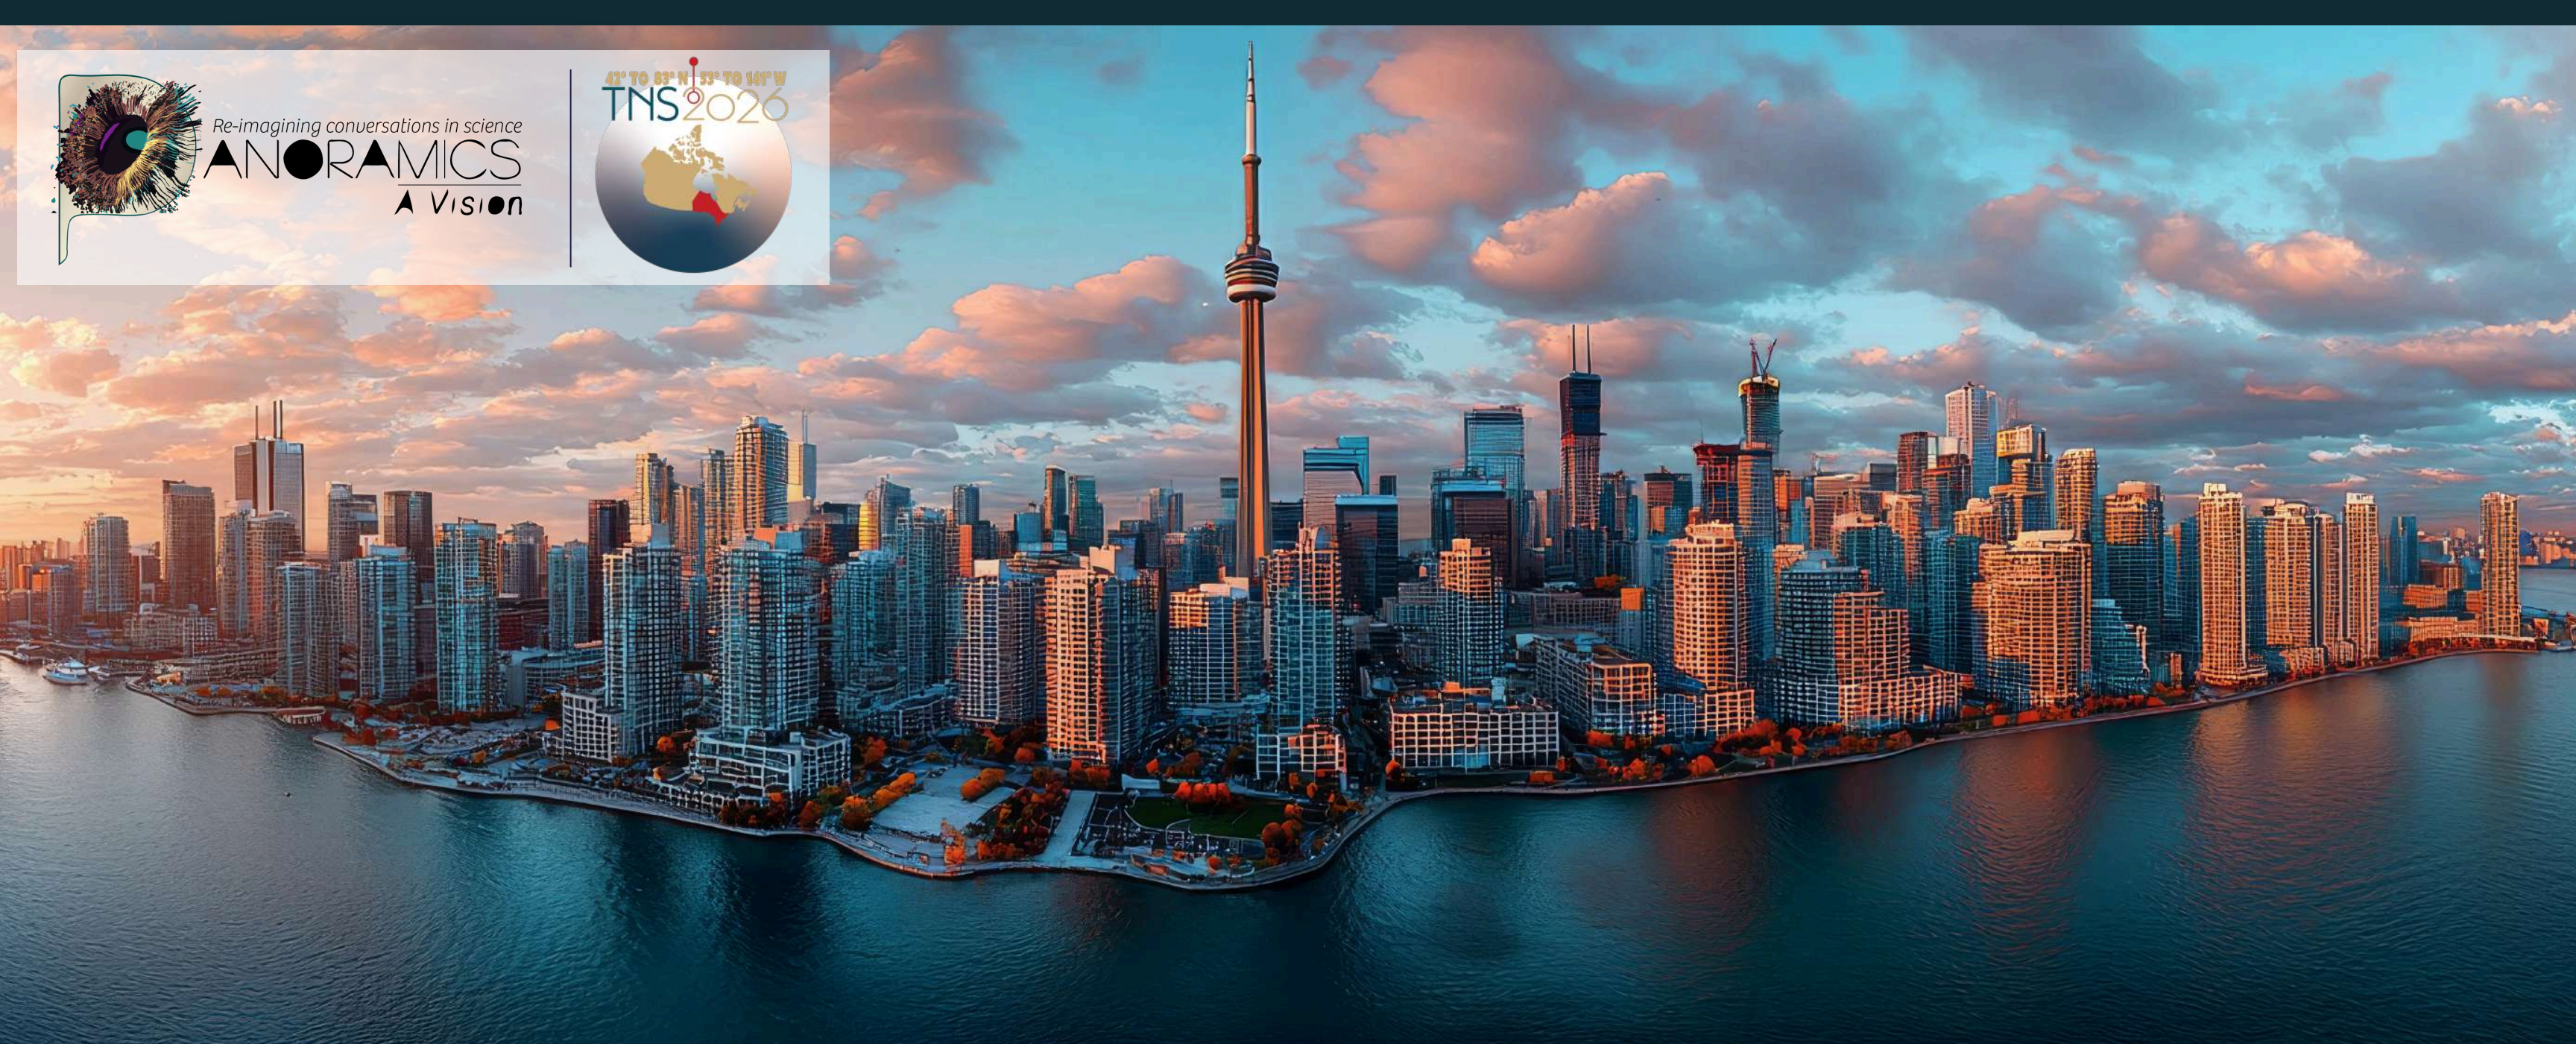

Come experience the Panoramic Chapters collectively through our True North Spatial Summit as we *inspire, enlighten, and challenge* your mind.

Set in downtown Toronto, the Queen City, at the iconic MaRS Discovery District, the beacon of Canada's innovation, this landmark event opens the doors to Canada's first Spatial and Single Cell Summit, where thought leaders, scientists, and innovators unite to share ideas, spark collaboration, and shape the future of discovery."

To inspire,

To enlighten,

To challenge

Confirmed speakers

Dr. Michael Doyle
Keynote Speaker
 New Mexico Tech
 NM, USA

Dr. Freda Miller
 University of British Columbia
 Vancouver, British Columbia
 Canada

Dr. Morag Park
 McGill University
 Montreal, QC
 Canada

Dr. Jeff Biernaskie
 University of Calgary
 Calgary, Alberta
 Canada

Dr. Gary Bader
 University of Toronto
 Toronto, Ontario
 Canada

Dr. Gary Nolan
 (VIRTUAL)
 Stanford University
 California, USA

Dr. Hartland Jackson
 Lunenfeld-Tanenbaum RI
 Toronto, Ontario
 Canada

Dr. Ashleigh Willis
 Panoramics - A Vision INC.
 Canada

Dr. Robert Beattie
 University of Manitoba
 Winnipeg, Manitoba
 Canada

Dr. Shamini Ayyadhury

350-400 participants from North America and Europe

Target audience

Scientists, Clinician-Scientists, Industry tech leaders,
Innovators, Students, C-Suite leaders and more

MaRS Innovation Centre

Become a sponsor

Become a Sponsor and Gain Visibility

Join us as a sponsor at True North Spatial 2026 and showcase your leadership in the rapidly growing fields of spatial and single-cell biology.

We offer six sponsorship tiers, each designed to provide unique levels of visibility, engagement, and recognition within the scientific community.

Exhibit Opportunities

Three of our sponsorship tiers include complimentary exhibit tables (6 ft x 30 in) to give your team a strong physical presence at the summit.

Standalone booth-only purchases are also available for organizations wishing to exhibit without full sponsorship.

Scientific Speaking Opportunities

Every exhibitor receives a dedicated 10–30 minute scientific speaking slot, a rare and valuable opportunity to present your technology, research, or innovations directly to leading scientists, industry experts, and decision-makers.

Speaking Sessions & Proposals

Confirmed exhibitors will be invited to submit a proposal for a scientific talk. Talks should align with one of our summit's three thematic chapters:

- Inspire-Me - Visionary insights, transformative ideas, and motivational science.
- Enlighten-Me - Educational, skill-building, and technical demonstrations.
- Challenge-Me - Thought-provoking debates, paradigm-shifting discussions, or technology showcases that push boundaries.

Presentations may take the form of a talk, debate, live demonstration, or interactive session - whatever best highlights the strengths and impact of your technology.

Pre-conference video introduction - DETAILS

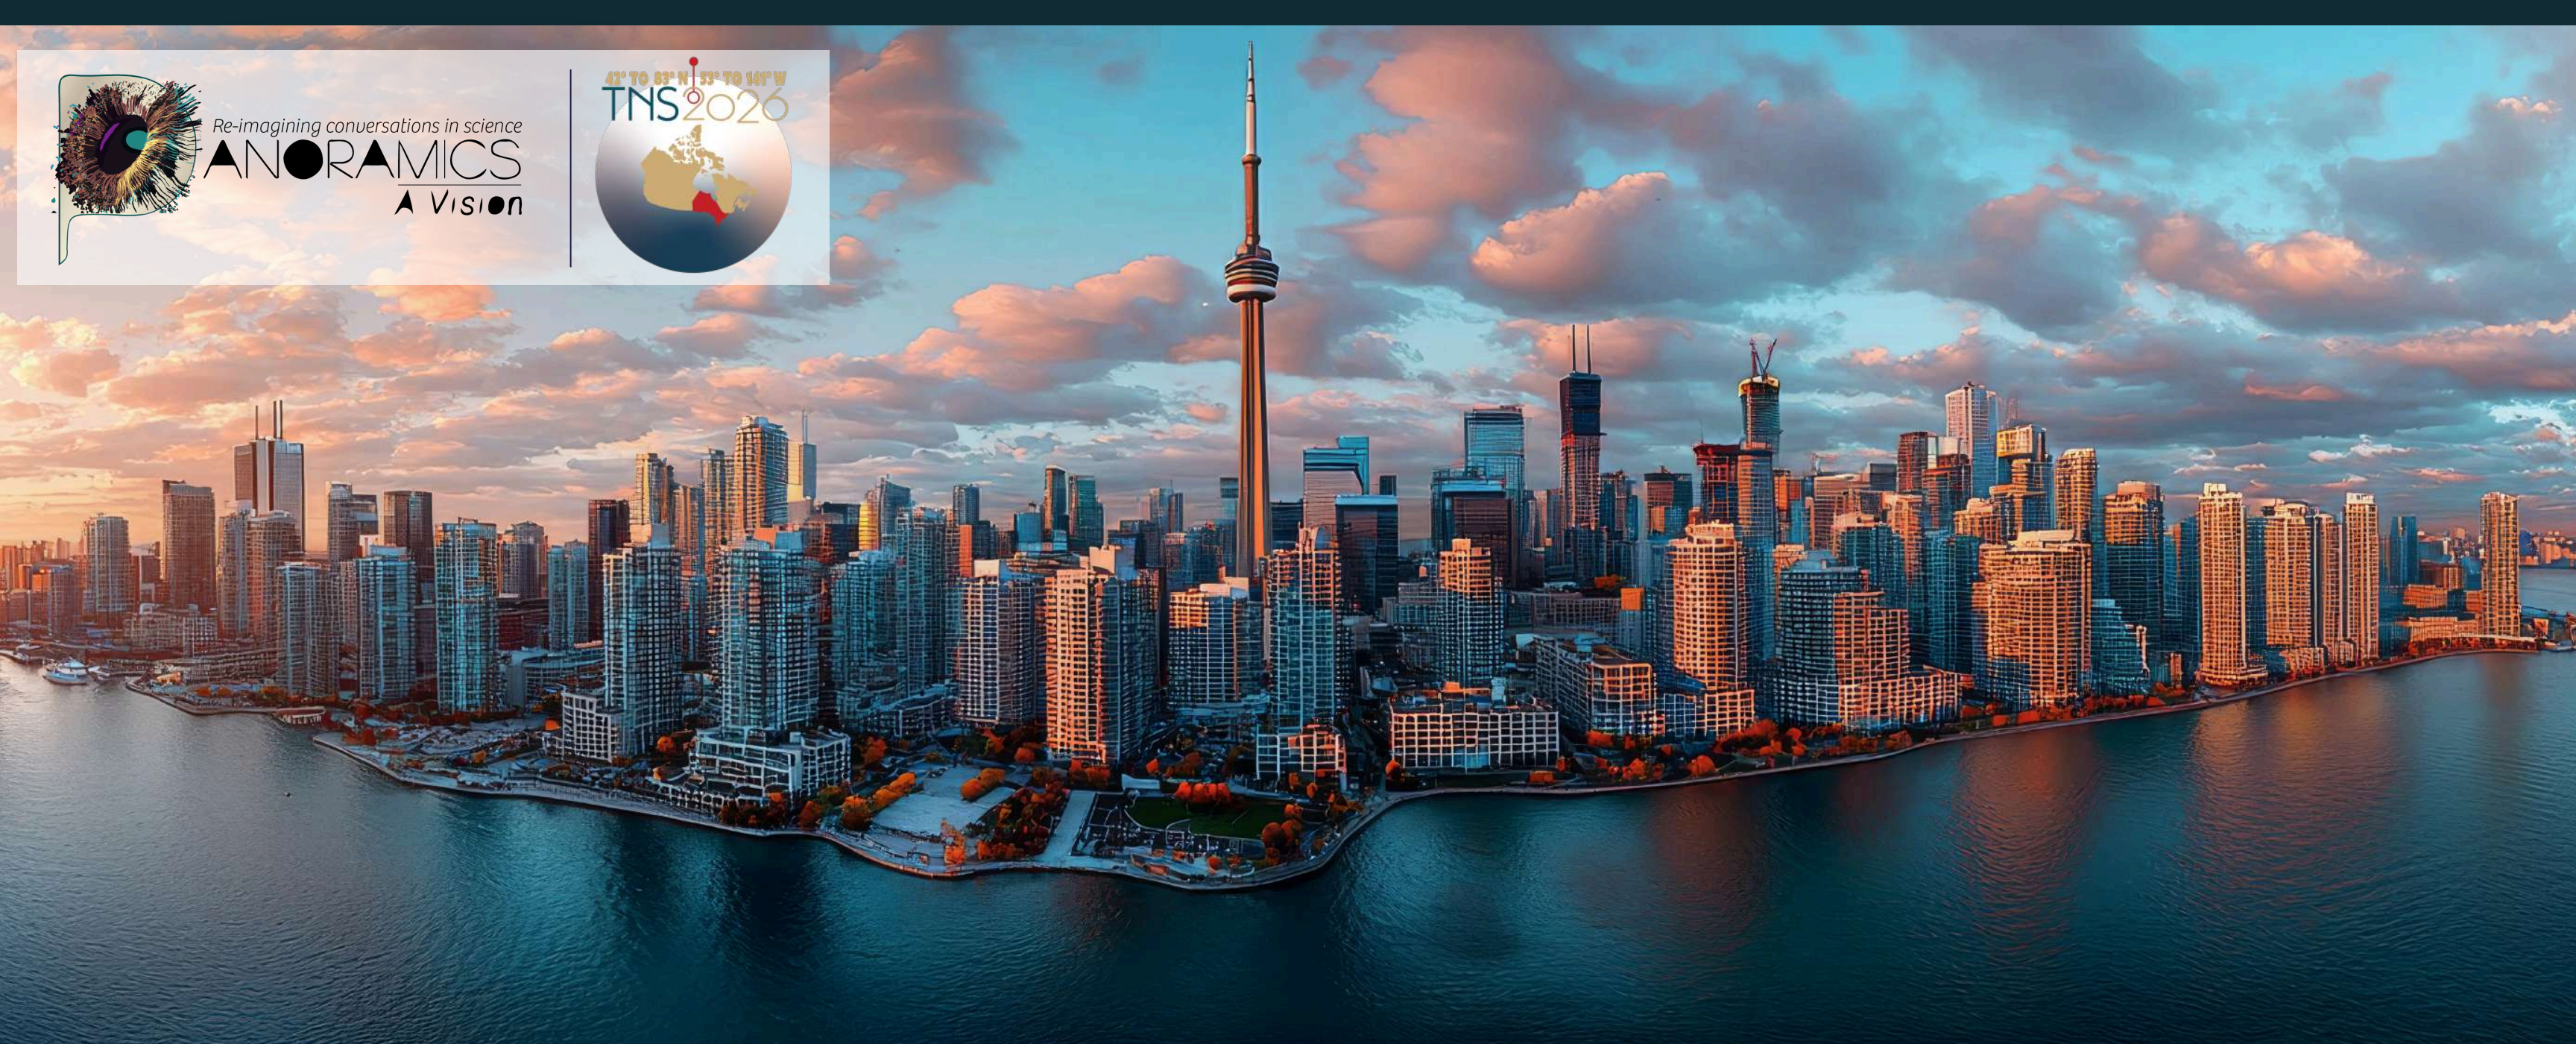

These videos will be circulated prior to the conference using our mailing list and social media platforms. Sponsors are also welcome to circulate it through their own mailing lists and social media platforms and newsletters as well.	
V1	Sponsors will get to record a 3-5 minute video/pitch on their company spatial platform and 1) why they are supporting Canada's spatial conference and 2) how they hope to connect with the community during the conference.. Video will bear both the Sponsoring Company's and Panoramics logos and branding.
V2	Sponsors will get to record a 1-3 minute video/pitch on their company spatial platform and 1) why they are supporting Canada's spatial conference and 2) how they hope to connect with the community during the conference.. Video will bear both the Sponsoring Company's and Panoramics logos and branding.
V3	Sponsors will get to record a maximum 1 minute video/pitch on their company spatial platform and 1) why they are supporting Canada's spatial conference and 2) how they hope to connect with the community during the conference.. Video will bear both the Sponsoring Company's and Panoramics logos and branding.
Grouped	Panoramics will create a thank you video and highlight sponsors through their logos .

* Sponsor logos will be grouped into a slide (or two) and announced collectively by their tier and contribution

** Please note dimensions can only be confirmed once venue has been confirmed.

*** Limited availability if require table booth

Booth only	
Cost	CAD\$2750
Complementary conference passes	2
* Acknowledgement and exhibitor profile in the conference program/webpage	
** Pre-conference highlight of exhibitors through mailing list and social media	
*** Table dimensions are 6 feet x 30 inches - dimensions will be confirmed before payment	

Sponsorship tiers and exhibit opportunities

Speaking opportunities

Speaking time is allocated according to sponsorship tier:

- Panorama / Spatial: 30 minutes
- Connectome / Cellular (with booth): 20 minutes
- Nuclear (with booth): 15 minutes
- Organelle (with booth) / Booth only: 10 minutes

Speaking opportunities will be allocated according to sponsorship tier and on a first-come, first-served basis.

Sponsorship tiers and exhibit opportunities

Speaking opportunities

- 1. All confirmed sponsors and exhibitors receive a 10–30 minute scientific speaking session in the Jewel Box or main auditorium at the MaRS Innovation Centre.**
- 2. Talks must be scientific and insight-driven, aligning with one of Panoramics' three chapters -**
 - a. Inspire-Me,**
 - b. Enlighten-Me, or**
 - c. Challenge-Me**

and may include demos, discussions, or visionary presentations.

Sponsors will be invited to submit a short abstract for approval, which will be featured on the True North Spatial 2026 website prior to the event as well as in our program agenda for maximum visibility.

Accommodation for Speakers, Sponsors and Exhibitors

To make your experience at True North Spatial 2026 as comfortable and seamless as possible, we have secured exclusive room blocks at three partner hotels located within 8 - 20 minutes of the MaRS Discovery District.

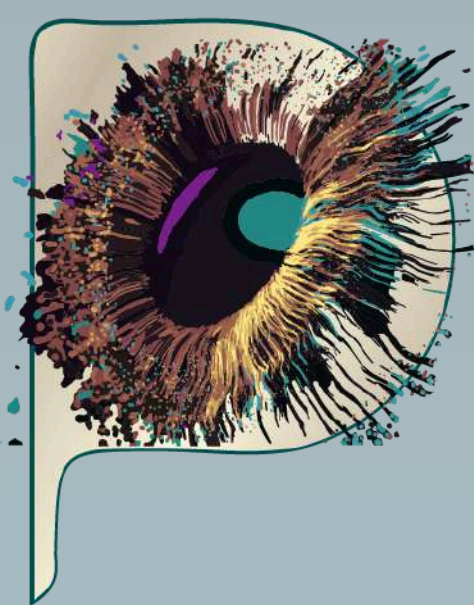

These hotels were carefully selected for their quality, convenience, and accessibility to the summit venue. Special rates will be available exclusively for sponsors, exhibitors, and invited speakers.

Each partner hotel offers:

- Comfortable rooms suitable for short or extended stays.
- Easy access to public transit and major downtown attractions.
- Proximity to dining, networking, and entertainment options.

Full booking details and reservation links will be shared with confirmed sponsors and exhibitors upon registration.

**Stay close, connect easily, and enjoy the best of Toronto while
participating in Canada's first Spatial and Single-Cell Biology
Summit**
